

Hundreds of square miles of bone-white flats offer our guests unlimited opportunities to challenge some of the largest and most cooperative bonefish imaginable. Guides are available to take you to areas where schools of thousands are not uncommon. Simply let us know when you'd like to go, and we'll take care of the rest.

Our 40 foot balcony overlooking the beach is the perfect place for a morning coffee or an icy, afternoon beverage.

85 degree days, cool ocean breezes, the laid back, peaceful innocence of South Andros Island and the most cordial people imaginable. It, simply, does not get any better.

Consider this an invitation to visit the Coconut Palms Beach House. We promise a vacation you'll long remember!

You Are Here

The Coconut Palms Beach House of South Andros, Bahamas, offers beachfront splendor in a private setting unequalled anywhere. Located on the shoreline of a picturesque and secluded six-mile beach, our two bedroom home is the perfect choice for those wishing a quiet and peaceful respite from the real world.

Following a magically restful day on the beach, relax on your beachfront balcony with a cold beverage, be caressed by the cool ocean breezes, and absorb the tropical panorama of swaying palms, turquoise water, and white sandy beach at your doorstep.

South Andros is easily reached three times daily by a 20-minute flight from Nassau. A two minute taxi ride from the South Andros airport brings you to the Coconut Palms Beach House.

The two-bedroom, two-bath home has an extra large living, dining, and kitchen area and a wonderfully wide porch overlooking the ocean, providing a world class spot to enjoy breakfast or dinner each day.

The home is fully equipped with all necessary utensils and equipment, from a coffee maker and micro-wave, to a blender for afternoon Pina Coladas! Convenience stores for purchasing food are minutes away. Bicycles and ocean kayaks are included for your enjoyment, as well.

Days can be spent relaxing on the beach, snorkeling over nearby reefs, exploring the wonderful island of South Andros. For those wishing to challenge the island's most famous residents, our elusive bonefish, we will arrange a guide and a flats boat for as many days as you wish. Additionally, private tours are available to assist you in seeing all the magic that is South Andros.

Two, comfortable, and safe ocean kayaks are available to paddle you to the third largest barrier reef on the planet just minutes off our shoreline. In low tide, anchor in two feet of water and enjoy unparalleled snorkeling and fishing within eyesight of your beach house! Enjoy a morning bike ride on the sandy road at your doorstep with bicycles provided for you.
